FUN FOOD FACTS

The word "Salary" comes from "Salt"!

Popcorn has been around for 6,000 years.

The closer a food is to its natural state, the healthier it is for you: An apple is better than apple sauce, which is better than bottled apple juice, which is better than apple pie.

There are 1,200 varieties of watermelon.

The world record for eating cheesecake is 11 pounds eaten in nine minutes – by Sonya Thomas, who weighs 105 pounds.

The color of a chile is no indication of its spiciness, but size usually is – the smaller the pepper, the hotter it is.

The dye used to stamp the grade on meat is edible. It's made from grape skins.

The first soup was made of hippopotamus. The earliest archeological evidence for the consumption of soup dates back to 6000 BC and it was hippopotamus soup!

Banana trees are not actually trees – they are giant herbs.

Have a Tomato with your Burger!
When a source of Vitamin C (orange, lemon, grapefruit, strawberry, tomato, potato, etc.) is eaten with meat or cooked dry beans, the body makes better use of the iron in the protein food.
