

Hello!

As you may know, Kid Shelleen's will be opening a second location in Branmar Plaza, with an anticipated opening in mid-to-late summer.

This location, like our other location, will have an outdoor patio. We have applied for a variance for the use of speakers on the patio for soft background music, with occasional acoustic live music (up to 16 times/year) plus a service bar that would close by 10PM. The patio will also have awnings, plantings and be enclosed by a fence so as to shield the patio from outside elements and also serve to muffle any sounds from the patio area.

The Delaware Office of Alcoholic Beverage Control Commissioner is requiring a hearing in order to consider this application, due to protests filed by some residents of Woodbrook Circle and Marsh Woods Lane in the Hamptons.

We invite you to support our efforts by submitting either written comments or by attending the hearing virtually. Perhaps you can speak to the high quality manner we operate as restaurateurs, or our track record of commitment to our neighborhood and community. Of course, we will adhere to all New Castle County and State of Delaware requirements.

The date of this hearing is Wednesday, June 1, 2022 from 5:30 – 7:30PM. If you would like to submit comments or speak on behalf of our application, please check the following links. Please be sure to use the drop-down arrow to choose the correct hearing.
